Yokosuka PS/Sullivans ES SAC
End of School Year Report

The School Advisory Committee (SAC) helps to foster communications among administrators, military leaders, parents, and students. The SAC is designed to promote communication, facilitate problem solving, and recommend action on programs and policies that impact students. SACs may make recommendations and advise the School Principal on matters within the jurisdiction of the SAC.

1. Goals and Objectives of the **Yokosuka PS/Sullivans ES** SAC for the current School Year 24-25.
   - **Advise on Policies and Programs**
     SACs recommend actions to ensure that school policies and programs effectively support the delivery of high-quality education.
   - ***Foster Collaboration***
     They promote communication and cooperation among school administrators, military leaders, parents, and students to align efforts with educational goals.
   - **Address School-Level Issues**
     SACs provide a structured process to identify and resolve challenges within the school, offering recommendations to the principal and, when necessary, to higher authorities.
   - **Enhance Educational Outcomes**
     They support initiatives that improve both academic performance and the overall student experience.
   - **Encourage Community Involvement**
     SAC meetings are open to the public, encouraging parents and community members to participate and contribute to school improvement efforts.
